

National Taichung University of Science and Technology

International Students Scholarship Guidelines

Approved at NTCUST Foundation Council on May 30th, 2012

Approved at NTCUST Administrative Council on Dec. 11th, 2012

Approved at NTCUST Foundation Council on Jan. 8th, 2013

Approved at NTCUST Foundation Council on Dec. 30th, 2013

Approved at NTCUST Administrative Council on Feb. 18th, 2014

- I. In an effort to encourage outstanding international students to undertake degree studies in National Taichung University of Science and Technology (hereinafter referred to as "NTCUST") so as to familiarize themselves with the academic environment in Taiwan and promote communication, understanding and friendship between Taiwan and countries around the world, the NTCUST establishes the following guidelines.

- II. Who could apply
 - (i) International Freshmen: International students who apply to study (undergraduate and graduate program) in NTCUST (excluding overseas Chinese students and students from Mainland China, Hong Kong and Macau).
 - (ii) Current Students: International students who are already registered or have obtained student status (undergraduate and graduate program) at NTCUST (excluding delay graduated students, overseas Chinese students and students from Mainland China, Hong Kong and Macau).

- III. Award Amount

The quota of scholarship recipients will be 10 per academic year. Every recipient will be granted NTD\$50,000 in total, and the scholarship will be delivered on the basis of semester.

- IV. Eligibility:

Applicants should be current international students or international students applying for the admission to NTCUST according to requirements listed in the up-to-date version of "NTCUST Application Guide for International Students".

 - (i) Current undergraduate students: the average academic grades of last academic year should reach 75 or above.
 - (ii) Current graduate students: the average academic grades of last academic year should reach 80 or above. Those who are working on master theses/ dissertations, and unable to provide the academic record for the last academic year may submit the recommendation letter from the advisor and research plan.
 - (iii) Applicants conduct grades should reach 80 or above.

- V. Application Time
 - (i) International Freshmen: Submit the required documents when applying for the admission.
 - (ii) Current international students: Submit the required documents within 2 weeks after each academic year start.

- VI. Required Documents
 - (i) International Freshmen: Submit application form with academic records of past academic years from applicants' graduated schools and other relevant proofs.

(ii) Current international students:

1. Application form.
2. A copy of student ID.
3. Transcripts of last academic year (those who are working on master theses/ dissertations, and unable to provide the academic record for the last academic year may submit the recommendation letter from the advisor and research plan; those who take a leave of absence from study within the last academic year may submit transcripts from the most recent semester or study institutes).
4. Applicants may submit other related documents beneficial for review.

VII. Application and Selection Process

- (i) The application data should be submitted to the Division of International Affairs of Research and Development Office before the deadline.
- (ii) The International Student Scholarship Committee will review all the applications and decide the final list of the scholarship.
- (iii) The scholarship review result will be announced within 2 months after the application deadline.

VIII. Scholarship recipients should bring the two following documents and their stamps to the Division of International Affairs of Research and Development Office to go through the paper works :

- (i) Copy of passport and ARC (Alien Resident Certificate)
- (ii) Copy of passbook

IX Scholarship recipients need to perform no less than 60 hours of life learning services at either their department offices or administration offices each semester, and the performance will be taken as a reference for next academic year applications.

X Budget

The funding for the scholarship is allocated from NTCUST academic year budget.

XI Special application cases may be proposed at the International Student Scholarship Committee for discussion.

XII The guidelines have been approved by the NTCUST Foundation Council, Administrative Council, and the President of NTCUST. Any amendments shall be processed accordingly.
